

**REMARKS****A. INTRODUCTION**

Claims 13-30 and 70-94 are pending.

Claims 70-94 are subject to restriction.

Invention I (Claims 70-79) is now elected for examination (along with Claims 13-30).

Non-elected Claims 80-94 are now withdrawn. No substantive amendment of any claim is being made; the listing of claims is provided solely to indicate the change in the status of Claims 80-94.

**B. ELECTION/ RESTRICTION REQUIREMENT**

**Applicants elect designated “Invention I.”** In order to comply with the Examiner’s restriction requirement, Applicants have elected the subject matter designated by the Examiner as “Invention I.” The Examiner considers Claims 70-79 to be directed to “Invention I.”

Non-elected Claims 80-94 are now withdrawn.

The Examiner indicates that Claims 13-30 will also be examined. Applicants assume from this that Claim 13 is generic with respect to both “Inventions I and II” (as all of Claims 70-94 depend directly or indirectly from Claim 13). If that understanding is correct, Applicants request that the Examiner confirm that Claim 13 is generic and that Claims 80-94 will be examined if Claim 13 is found allowable.
